- Measure, cut, and shape wood, laminate, and other materials for cabinet installation.
- Mark out slab locations and reference lines to verify cabinet footprint prior to install.
- Inspect finished products to ensure quality and accuracy.
- Operate hand tools, power tools, and other woodworking equipment safely and efficiently.
- Perform touch-ups/warranty repair and modifications as needed to meet quality standards.

Qualifications & Skills:

- Proven experience in cabinet installation, woodworking and general carpentry
- Ability to read and interpret blueprints, schematics, and technical drawings.
- Proficiency in using woodworking tools and equipment.
- Strong attention to detail and commitment to quality workmanship.
- Ability to lift and carry heavy materials (up to 75 lbs.).
- Ability to work independently or as part of a team.
- Must have a clean driving record and pass a background check

Education & Experience:

- High school diploma or equivalent required.
- Vocational training or apprenticeship in cabinetry, woodworking, or related field preferred.
- 10+ years of experience in high end cabinetry installation
- Clean driving record required

Work Environment:

- Work may involve exposure to sawdust, loud noise, and heavy lifting.
- Ability to stand, bend, and work with hands for extended periods.
